Brook Job Appears Set

The road should now be clear for action on Rogers Brook. News that the Legislature has passed the governor's appropriation bill indicates that sufficient funds should be available for the reconstruction project. Only Monday, the town received a telegram from the Division of Waterways, stating that the project has been designated, and that money for it would be appropriated this week. Even this promise wasn't sufficient, however, to allow the Selectmen to sign final approval of the project. According to town meeting mandate, the local Board is required to determine that the state has sufficient funds earmarked for the purpose of at least matching the \$175,000 voted by the town. To do this, Town Counsel Fredric S. O'Brien suggested that the Board must wait for final

Tentative plans have received Planning Board approval for layout, with further details to appear on the definitive plan.

The plans for the area show over 70 lots, but some of these have frontage on Wildwood rd. and do

not require Planning Board approval.

The cluster zoning provisions were first voted last year at town meeting, and were further amended at the annual session in March. The theory behind this type of development is that shorter roads will be required, with resulting savings to both the contractor and the town. Green areas can be preserved, by making use of topographical

FOLLOW YOUR NOSE — A stranger visiting the High School Thursday evenings, when adult classes are in progress, would have no trouble finding the class in foreign cooking. He'd just follow the mouth-watering aroma. Mrs. John Diener of Andover is shown here placing fruit on a special cake, which will be covered with a special type of glaze. Cooking in the oven is a French casserole, made with veal, carrots, peas, rice and parsley. It sure smelled good.

New Agency In United Fund

United Fund President Winthrop Newcomb of Andover reports that the Greater Lawrence Association for Retarded Children has become the newest member agency of the United Fund.

The purpose of this Association, under the leadership of volunteer Greater Lawrence citizens, is to promote the welfare of the mentally retarded children, physically, socially and spiritually. The Clinic, which has been in operation for one year, provides a nursery school for children under seven, vocational rehabilitation classes for those over 17, recreational programs and certain physical therapy programs such as speech therapy, and others in conjunction with other United Fund agencies.

There are 300 children between the ages of seven and 17 now attending special classes throughout the four school systems in Greater Lawrence. It is estimated by Retarded Children Association authorities that over 3 per cent of the population of the area suffer some degree of retardation.

It is reported that of every 30 individuals affected by retardation, 25 can definitely be helped to lead normal lives, four of the 30 are trainable with some guidance and the remaining one of the 30 is to be institutionalized.

The Chestnut ct. Associates will sponsor a miscellaneous social Saturday night at 7:30 in the recreation hall.

Serving on the Committee are Mrs. Nellie Doherty, Mrs. Florence Hutchings, Mrs. Jean Wood, Mrs. Mary Morse, Mrs. Jean Barter and Mrs. Louise Petteruti.

Claudia Sandberg Received Certificate

MISS CLAUDIA SANDBERG
Miss Claudia L. Sandberg, daughter of Dr. and Mrs. A. Warren Sandberg, 27 Chestnut st., was graduated this month from Katharine Gibbs School, Boston, with an honor certificate.

Miss Sandberg was also graduated in 1958 from Abbot Academy and attended the University of New Hampshire. She is a member of Alpha Chi Omega, a national sorority.

FRANZ RECEIVES LIQUOR LICENSE

(Continued from Page One)
three and one points were given for the selections, and the applicant having the highest total received the license. The Selectmen did not announce the vote received by any of the other applicants, however.

The only additions to the list published last week in the Townsman were those who listed "3" Post Office ave. as a site. Confusion developed over the numbering on the street, and applicants pointed out that they had described the premises as required by law. On motion of Selectman Philip K. Allen three applications were placed in the active list - but none of these received enough votes to receive the license.

The Franz store is one of the oldest family-operated businesses in the town. A beer and wine license has been located there for many years.

After approval from the ABC is received, it is anticipated that a license for the sale of wine and malt beverages will be available.

Mr. Lindsay On European Trip

The Rev. Haldean Lindsay of the Ballard Vale United Church will sail from New York June 14 with a former Yale professor and a group of 25 clergy, professors, students and business men for an International Good Will tour of Europe and behind the Iron Curtain.

The purpose of the tour is to accomplish a Peace Mission behind the Iron Curtain. It is planned that in each of the countries visited there will be a meeting with heads of state. The leader of the tour believes that the time is running out and that some accident could easily set off another war, though he believes that neither the United States or Russia would start it intentionally.

The tour will begin in Naples and then the group will fly to Prague in Czechoslovakia via Rome then to Belgrade, Yugoslavia. There will be a visit to Poland and Rumania. A week will be spent in Russia, including Stalingrad, Rostov, Odessa on the Black Sea and Moscow. The party will travel by rail to East Berlin, Paris and then London. They will arrive back in Montreal Aug. 9.

New! A way to get more roses, bigger blooms

The simple (and surprising) secret of more roses is—more leaves! To keep insects and disease from taking their heavy toll, Scotts has developed a remarkable *single* control for all common rose enemies. It is called HAZE.

To achieve complete HAZE protection on the tops and undersides of every leaf, Scotts has developed a revolutionary new applicator, called the ZEPHYR. It wafts an enveloping dry mist of HAZE upward, depositing an *invisible* film on the leaves.

See the new Scotts Rose Program products at our SUCCESS WITH ROSES display today.

Leaders' Retreat At Osgood Hill

A special Church School leaders' retreat will be held this Saturday, May 27, at Osgood Hill for the Free Church, Congregational, from 1:30 to 7:30 p.m.

The schedule includes a presentation on "Christian Teaching in the Home and Church" by Mrs. Margaret Morton, which begins at 2 p.m. and to which parents are invited. Mrs. Morton lives in Cam-

After this, from 4-4:45, there will be "Buzz Groups" by departments in the Church School for the teachers, on methods of using the material.

Free time for browsing at the curriculum display table and individual conferences will follow. Dinner will be served to the group at 6 o'clock, which will be followed by a dedication candlelight service at seven. Over 25 reservations have been sent in, including teachers, superintendents, and the student-director of Christian Education, Gary Ireland, from Harvard Divinity School. His services have just been engaged by the Free Church for the coming year. The program for the retreat will conclude at 7:30 p.m.

CAPITOL COMMENT

By
YOUR CONGRESSMAN
BRAD MORSE

Although recent reports would indicate that there are those here in Washington who would dispute the fact, a free and responsible press is one of the precious hallmarks of our Republic . . . and the Andover Townsman has certainly distinguished itself over the years as a free and responsible journal. I am deeply grateful to the editor and publisher for giving me this opportunity to report to you, directly, on the conduct of your business here in Washington.

Thanks, too, for the hundreds of helpful, constructive letters you have sent me - and to those of you who have not yet written, an open invitation to do so soon! To really do his job, a Congressman must know his constituents' thinking - and he should be as available as the family doctor. I want you to know that I'm as close as your telephone or the corner mailbox. In addition to my Washington office (136 House Office Building), I maintain two others to serve you - in Lowell (15 Kearney Square) and Boston (1705 Federal Building).

Hope we'll hear from you! Yeas and Nays . . . The House has been moving slowly but surely. The President's program has met with limited success . . . Administration bills have been scaled down before submission to Congress or compromised in Committee. Example: Minimum Wage Bill calls for \$1.25 - but not until 1963 . . .

Area Redevelopment: Real danger from New England point of view is potential use of Federal money to lure industry out of Massachusetts. I voted "No". United front in foreign affairs: Both House and Senate overwhelmingly voted \$500 million for Latin American aid as requested last year by President Eisenhower . . . Water Pollution: After supporting effort to place program on State-Federal basis, I voted for accelerated program . . . Social Security: 1961 amendments call for modest increase in benefits, reduction in optional retirement age to 62 for men, cleared House 400-14 with my support. Aid to Education: Outcome still in doubt, Senate bill would increase Presidential request for Federal funds . . . Medical Care for Aged: Consideration unlikely this session . . . Glaring Omission: No administration-backed civil rights proposal.

On The Home Front: Over \$100 million in government contracts have been awarded in the Fifth District since January, 1961 . . . Rough translation in terms of jobs: 10,000 man years work . . . Present indications are that the Senate will approve the \$2.5 million appropriation for our Minuteman National Park . . . The fight for long-term relief for Massachusetts' textile industry is beginning to pay off: President Kennedy has announced a 7-point program intended to meet problems . . . The outlook is less optimistic in our efforts to solve the residual oil problem which plagues New England industry.

Around The World In 80 Words . . . Latin America: Castro has firm grip on Cuba, Kremlin has

firm grip on Castro; Washington has yet to develop clear-cut approach to problem; Far East: Communists, with itchy trigger-fingers in Laos, eyeing South Vietnam, Cambodia; Korean eruption came as no surprise to official Washington; Africa: tumult continues in Congo, Angola and Mozambique; U.N. prestige low; greatest danger comes from ambitious national leaders flirting with Soviet Union; Europe: U.S. reaffirms NATO commitments; pledges A-Arms aid against any major Soviet threat.

Capitol Capsules . . . 10,000 bills and resolutions have been introduced in the House since January . . . the House has 21 standing committees and almost 100 subcommittees . . . My assignments: Government Operations Committee, watchdog on all Federal spending . . . Military Operations Subcommittee, which audits activities of the Armed Services . . . Merchant Marine Committee, mighty important to our Port of Boston . . . Oceanography Subcommittee, concerned with the new scientific frontier in the sea around us . . . There are three-eighths of a mile of corridors between my office and the House Chamber (I make four or five round trips a day) . . . My wife, Francesca, and I were guests of the President and Mrs. Kennedy at the White House Congressional reception the night the President received the dark news about Cuba . . . Breakfast with President Bourguiba of Tunisia at Blair House (and an enriching discussion of African affairs - in the French I learned working in a Lowell mill many years ago) . . . Greek Prime Minister Caramanlis speaks flawless English; he addressed the Congress in joint session, with the Cabinet and Diplomatic Corps in attendance, with inspiring eloquence . . . Conquering the problem of inner space when 400 members of the Congress gathered in the old Supreme Court Chamber to meet Commander Shepard.

Pause For Thought . . . I never really understood how appropriate it is to call legislative proposals "bills" - after enactment, they certainly become due and payable.

Now everyone can have success with roses!

Do your roses, like most people's, bloom nicely at the very beginning of the season—then *quit* blooming once hot weather settles in?

This year can be different! That's because Scotts, the people who made having a good lawn easy and sure, have developed a simple, scientific program for roses, too.

Now you can have better roses, more continuous bloom—month after month—without worry or hard work. These new Scotts Rose Program products are unique.

The Zephyr is a revolutionary new applicator that lets you protect the tops and undersides of every leaf. HAZE, Scotts new all-in-one protection against insects and disease, comes in a container that fits snugly into the Zephyr (nothing to mix, measure or spill).

ANNOUNCING

An extraordinary Value Line Special Situation
Report on an overlooked industry group
where new developments have stimulated

EXPLOSIVE GROWTH

and in which we expect the

STOCKS' EARNINGS TO DOUBLE & TREBLE

The stocks herein brought to light are low-priced,
now selling under \$5 or \$10, and they are undervalued
in relation to the earning power about to develop.

"Explosive growth" is a phrase not often used by the Value Line organization. Nor is it ever used loosely.

For this overlooked industry-group - whose gross revenues are doubling every 4 or 5 years, the phrase "explosive growth" exactly describes the facts.

Until now, however, certain government policies just recently changed, have had a devastating effect on net profits for companies in this industry. Until now - and not surprisingly - the investment community has therefore virtually ignored this group despite its foreseeable key role in one of the nation's major industries.

But as the investment meaning of new developments becomes increasingly clear, we expect that public interest in these stocks will increase widely.

Should you decide to act upon Value Line's specific recommendations now, we suggest you consider a "package" of these stocks rather than any one of them. (Because most of these issues are low-priced, it is possible to purchase several of them - thus achieving the benefits of diversification - without an unduly large total investment.)

No stock can ever be free of some risk. But it can be said of these stocks that their prospective rewards far outweigh any risks that can be visualized.

GUEST SUBSCRIPTION

In conjunction with a special 4-week Guest Subscription, we will send you a Bonus without additional charge: the 20-page analysis of this long-neglected industry and its stocks, which describes these opportunities in full detail, with specific recommendations for action.

Under this offer, you will also receive, without additional charge, a copy of Arnold Bernhard's new book, "The Evaluation of Common Stocks" (regular \$3.95 clothbound edition published by Simon & Schuster).

And for the special "guest" price of only \$5 you will receive the next 4 Weekly Editions of the Value Line Survey with full page reports on each of 300 additional selected stocks in key industries.

In recent years, the Andover chapter of Beta Sigma Phi Sorority has become an integral part of the community.

Since this chapter, Beta Mu, is such a vigorous group many people have expressed a wish to know more about Beta Sigma Phi. As sisters in Beta Sigma Phi, the girls pledge themselves to the aims and purposes of the Sorority which are more tolerance toward fellow beings through a better understanding of them; a deeper appreciation of the cultural and finer things of life and a determination to give the best that is in one's self toward the betterment of society. Over 150,000 young women throughout the world participate in Beta Sigma Phi's activities and an exchange of ideas and news from around the world takes place through the medium of the official magazine, "The Torch". Members of Beta Sigma Phi have the right to wear the beautiful membership pin of the internationally recognized sorority. Upon becoming a member, each pledge receives an Achievement Band which is a silver bracelet to which may be added a silver heart for each year of active membership and a silver star for each office held or honor received. Beta Sigma Phi Sorority is a non-sectarian group comprised of young women of all nationalities.

Beta Mu Chapter of Beta Sigma Phi recently held its annual Founder's Day banquet at a local restaurant. With Mrs. Ralph Wirtz presiding, Mrs. Edgar Best, sponsor, was presented with a gift and Mrs.

John McCarthy received the "Girl of the Year" trophy for outstanding service to the group. New Ritual of Jewels members included Mrs. Luis Salazar, Mrs. Robert Kitson, Mrs. Louis Peterson and Mrs. Richard Pangonis and they received their pins at an impressive candlelight ceremony. Installation of new officers also took place with Mrs. Richard Homewood as president; Mrs. Henry Becker, vice president; Mrs. John Lyons, recording secretary; Mrs. John Gillies, corresponding secretary and Mrs. Ian Sanderson, treasurer.

Retiring from office were Mrs. Ralph Wirtz, president; Mrs. Lester T. Newill, vice president; Mrs. Sebastian Nicolosi, recording secretary; Mrs. John McCarthy, corresponding secretary and Mrs. David Roberts, treasurer.

Mrs. Lester T. Newill gave a summary of the previous year's activities some of which were a "Fun and Fund Raising" project, a fall fashion show, spaghetti dinner, sponsoring a baby sitting course for high school girls and a Christmas party for the elderly. Beta Sigma Phi also sponsored the Annual Heart Dance and did some volunteer work for the Red Cross. Many social activities were held within the group.

A skit was also presented, with Mrs. Weston Eastman, Mrs. Robert Kitson, Mrs. Ralph Wirtz, Mrs. Lewis, Mrs. John McCarthy and Mrs. Richard Pangonis participating.

A very lovely punch bowl, recently acquired by the Sorority, was displayed and admired by those present.

Mr. and Mrs. Paul Danielson have returned to their home on Cutler rd. after spending a vacation in Miami, Fla.

TO SCANDINAVIA

Mr. and Mrs. Albion Johnson left on Wednesday on the Norwegian American Lines for a two months' tour of Denmark, Sweden and Norway. They sailed on the Starangerjord and will arrive at Copenhagen on June 2 where they will spend a few days.

From there they will go to Boras, Sweden, where they will visit with Mr. Johnson's relatives. The last three weeks will be spent at Flekkefjord, Norway, visiting Mrs. Johnson's father's home city and relatives.

Lundgren Funeral Home Inc.
10 ELM STREET ANDOVER, MASS.

Dear friends,

An occasional comment reveals that many people believe a funeral service follows a definite routine. It may surprise you to know, however, that no two funerals are alike. Each service brings its own requirements.

The desires of the family are given first consideration, always. Then there are the many details which must be arranged around those family requests. Each service, therefore, is distinct and follows a program of its own.

Respectfully,

Donald E. Lundgren

EDITORIAL THOUGHTS

So Clear It's Confusing

We're perpetually being surprised by the decisions coming out of Boston and Washington, and the interpretations put on laws by various agencies of the state and federal government.

But we've never been more amazed than to learn of the interpretation given to the liquor laws by the Alcoholic Beverage Commission.

The law clearly, and in a surprisingly straight-forward way, states that no new license, except that of an inn-holder, may be issued within 500 feet of a church, school or hospital. Excepted from provisions of the section are those licenses existing prior to the effective date of the law, Jan. 1, 1956.

Anyone reading the section would easily see the similarity between this act and the normal definition of a non-conforming use — nothing more, nothing less.

But the ABC has ruled that the law means something else:

If, at any time before 1956, a license existed at a site, even if it has been long-removed, then the site is legal.

However, the exact building must be situated on the lot, as existed prior to 1956.

In Ballardvale, for example, a license once was located at 195 Andover st. in the old store that has given way to a modern building. The site is disqualified, not because it is within 500 feet of a church, but because the building has been reconstructed.

Other sites — for example the store on Post Office ave. where a license once existed — are eligible even if they are too close to churches.

Thus the ABC has ruled that it is the building that counts, not the address.

Carrying the ruling to a point of absurdity, it would be legal to grant a license within a few feet of a church, if the license existed there anytime before Jan. 1, 1956, even 20 years ago. And the building must be the same structure, no matter how old — not a new store on the site.

We many times wonder how lawmakers can write laws that use so many words that they confuse and bewilder those trying to understand them.

Here's a case where the law is spelled out so very clearly that there could be no misunderstanding. Then its interpretation becomes blurred and cloudy, and even appears to circumvent the exact meaning of law somewhat.

Blame us for being surprised?

Is It Just Another Day?

Is Memorial Day — once such a significant holiday — going the way of so many lesser holidays?

Frankly, it appears quite possible that Memorial Day as we have known it in years past may be slipping into the category of just another holiday, celebrated more because it's a day out of work, than because there is any special meaning to the day.

Shouldn't we all do something about this retrogression?

Most of us have at least one good reason to continue celebrating this day in a special way — at least one family member who has given his life in defense of the country.

Memorial Day is a day set apart to honor these people, to remember them, and their sacrifices. Is this too much for us to do?

Next Tuesday, all of us have the opportunity to reverse the trend towards casual celebration. We have the chance to publicly demonstrate our affection for our country, and our continuing memory of those who gave their lives for it, by attending the memorial services. And we can take a few minutes from the day to privately consider the great sacrifices they made and to reflect upon the value of freedom to each one of us.

In The Face Of Adversity

As the season draws to a close, we think the Andover Recreation Council should be congratulated for its successful adult program, carried out under difficult circumstances.

There are those, to be sure, who have responded to the new program with a mixture of open opposition and grudging assistance. But this may normally be expected when something new is attempted.

Despite these obstacles, and the discouragement that goes with them, the Council has pushed forward with its program, to an ultimately successful conclusion. We hope they look forward to bigger and better things next fall.

Down the Years with The Townsman

50 Years Ago — May, 1906

The Rev. James Austin Richards of Boston has been spending a few days at the home of his mother on Main st.

Mrs. Elander and daughter of Elm st. sailed Tuesday on the Ivenia for Sweden, where they are to spend the summer.

George Dick, formerly coachman on the Smith estate, has been appointed driver of the town teams, replacing William Rea, who resigned.

The vacancy caused by the death of Town Clerk Marland has been temporarily filled by the appointment of Treasurer Higgins.

25 Years Ago — May, 1936

A South Lawrence woman is near death in the Lawrence General Hospital today, following an unusual accident at North Main and Union sts. about midnight last night. Police said the woman was driving a passenger home to Methuen. She started to turn right on Union st., then swerved back onto North Main. In doing so, she ran full-force into six heavy irons protruding from the back of a truck stopped at the lights. The irons rammed through the windshield.

The annual memorial exercises for the sailor dead will be held by the Sons of Veterans Auxiliary on the bridge over the Shawheen river, on Stevens st., Sunday afternoon at 3. Other patriotic organizations are invited to take part.

Alfred Greenfield was re-elected president of the Andover Male Choir Tuesday evening. James P. Christie is vice president.

Many Andover gardens will be open Sunday afternoon for members of the Andover Garden Club and their families.

The School Committee is trying to arrange for the use of a plot of land owned by the West Parish Church as a play field for children at the West school. There is no play yard at the school.

10 Years Ago — May, 1951

Friday is the day for the town's first full-scale air raid alert under the present Civil Defense set-up. At 11 o'clock, it is expected that all citizens of the town will take whatever action they would take, should an actual air raid occur. Full public participation will be expected, with pedestrians seeking shelter, air raid drills in all public buildings, and private offices.

The Rev. Allen F. Kerns, minister of the Methodist Church, was ordained as a deacon Sunday at the M. E. Conference held in Springfield. Mr. Kerns has been re-assigned to the Riverside Church in Gloucester from the Ballardvale Church.

The Veterans' Housing project will be solemnly dedicated Memorial day at 11 a.m. with the V.F.W. in charge of the exercises.

The annual trout derby will be held Saturday and Sunday, from 8 a.m. at Hussey's Pond in Shawheen. The Sportsman's Club, sponsoring the event, will give prizes to the boy and girl who catch the biggest fish. Any child up to 10 years old can take part.

Girl Scouts

Troop 95

The Brownies of Troop 95 played a relay race on Trail signs. The Chick-a-dee patrol was the winner. It was announced that the Chick-a-dee Patrol won the series of the contests held for the Tenderfoot requirements. They are Debbie Barenholm, Leader, Lee Batchelder, Debbie Gardner, Cathy Gibbons, Carol Letourneau and Ann O'Leary. The meeting was closed with the friendship circle.

Troop 34

The Brownies of Troop 34 took a walk through the West Parish Cemetery. They did some practice marching for the parade on Memorial Day. They spent some time planning their next meeting, which will include some square dancing.

Troop 74

The Brownies of Troop 74 will have no further meetings this year. At their last meeting, they made plans to go to the beach home of their leader, Mrs. McCabe, and have a picnic on the beach. This will take place June 10.

Troop 112

The Girl Scouts of Troop 112 completed the list of personal equipment they will need for their over-night camping trip at Camp Maude Eaton. The flag ceremony was in charge of Jane Roediger, a requirement for her to pass her second class rank.

Troop 45

The Brownies of Troop 45 enjoyed a cook-out at camp Maude Eaton. They cooked their own hot-dogs. The troop was divided into three committees: eight girls on the cooking committee, eight on the clean-up committee, and eight on the serving committee. They played games, and prizes were awarded the winners. This was the final meeting of the year for these girls.

Troop 63

The Brownies of Troop 63 worked on their sit-upons at their last meeting, and are to finish these at home. Time this week was spent helping the new member prepare for her investiture next week, and a party was planned for after the investiture.

Troop 68

The Brownies of Troop 68 took a trip to Camp Maude Eaton, in spite of the rain. They went to one of the Day Camp shelters, where they could be dry, and sang songs, and played games. They enjoyed a snack, and the rain did let up long enough so they could take a walk to the swimming area. The girls did enjoy this trip very much.

Memorial Day Parade

The Girl Scouts will be the fourth unit in the parade. They are all to meet at 8:15 at the Park st. firehouse parking lot. All girls are to be in Girl Scout uniform, if possible. White blouses and dark skirts are also acceptable, but no sneakers. The color guards should wear white gloves.

WOOD HONORED FOR NAVY DUTY

Reginald C. Wood, seaman, USN, son of Mr. and Mrs. Bedford H. Wood, 26 Highland ave., is serving aboard the submarine tender USS Howard W. Gilmore operating out of Charleston, S. C.

He recently received a letter of commendation from his commanding officer for outstanding performance of duty. Before entering the service in February 1956, he was graduated from Punchard High School.

At The Library

Coming Events:

MAY

30 Library closed all day. Please note: All meetings of Littlest Listeners and the Great Books Discussion Group are discontinued until autumn.

Great Books For The Fall

Anyone interested in joining the 10th-year program of the Great Books Discussion Group should contact the Memorial Hall Library before the middle of June, if possible. Those who wish to order readings for the 1961-'62 year are urged to get in touch with the library or the group's leader, Robert Rockwell.

The opening meeting is scheduled for early October, but many members wish to have their reading lists and books to work on during the summer vacation period. Most titles gain from re-reading nearer the date of the discussion, but a quick preview of the style of the author, his intent and his theme makes for better discussions.

All persons in Andover, Lawrence or near-by communities are most cordially invited to inquire about the group at the library.

Attend Conference

The Memorial Hall Library was represented at the spring meeting of the Merrimack Valley Librarian's Association in Reading by Miss Margaret Manning, assistant librarian, and Miss Margaret Lane, children's librarian.

Following registration, dinner, and a business meeting, the remainder of the program was in the form of a panel discussion on the subject "Our Stake in Regional Library Centers".

Panel members were Richard Sullivan, chairman of the Board of Library Commissioners, Mrs. Dorothy Haywood, chairman of the Northeast Region's Regional Advisory Council, and Mrs. Ben Flynn, chief of Book Services, Division of Library Extension. Moderator for the panel was Deep Schuchman, Librarian of Reserve Public Library.

Librarians and trustees from all towns of the Northeast Region were invited to be present for discussion of the points involved in making the best use of the new state-wide regional library program.

Cooking For Fun

Now that the prepared dinner, pastry and cake mixes, frozen pies and waffles, etc. are on the market, one would think that books on the subject of cooking would be hard to read. But last year there were over 20 books on the subject published, showing that the public is finding new fun in cooking for pleasure rather than for necessity. Many of the books turn backward to the old fashioned "to a cup of flour add a pinch of" recipes while some turn to cooking with wine, with herbs, or the top of the stove, en casseroles, barbecue, etc. Some are written for the wife of the hunter and fisherman, while others are for the hunter and fisherman, while others are for the hunter and fisherman, while others are for the hunter and fisherman.

Foreign cooking is also

popular; cooking ahead has had its exponents; even the softer, easier to make "cookbook" has been recent books "Cooking For Fun" by Eleanor Parmer. Just cast a glance at a few of the titles of books available at the Memorial Hall Library and you will be amazed and amused. Some are "Cooking for Fun Time Home-Makers"; "The Gentleman's Companion"; "All-in-One Oven Meals"; "Serve It Buffet"; "Magic With Leftovers"; "The Open Cookbook"; "Clementine In The Kitchen"; "Shots From The Kitchen"; "An Alphabet For Gourmets"; "Cooktail Supper Cookbook"; "The Top Of The Stove"; "Cooking For Fun Time Home-Makers"; "The Gentleman's Companion"; "All-in-One Oven Meals"; "Serve It Buffet"; "Magic With Leftovers"; Doug Howe

about this question:

If the war dead could speak, they would certainly all agree on one plea — an end to war. On this Memorial Day, let us, the living, dedicate ourselves to pray for peace, to work for peace, to help the governments of men solve their problems without resort to the horror and devastation of war.

Wedding...

GALLANT — MITCHELL

Floral arrangements featuring white and pink gladiolas decorated the altar, and white bows marked the family pews, for the 11 o'clock nuptial Mass performed in St. Mary's Church April 29, at which Beverly J. Mitchell, daughter of Mr. and Mrs. Joseph Mitchell, 123 Genesee st., Lawrence, became the bride of R. Paul Gallant, son of Mr. and Mrs. Raymond Gallant, 8 Upland rd.

Fr. Kelley, O.S.A., officiated and the nuptial music was played by Joseph Walsh. Armand Morrisette was soloist at the double-ring ceremony.

Escorted to the altar by her father, the bride wore a traditional gown of bombazine silk, with a semi-scoop neckline etched with cut-outs of re-embroidered Alençon lace. The same appliques were strewn over the sunburst pleated

bouffant skirt. The gown had tapered sleeves and a full Cathedral train. Her four-tier veil of imported silk illusion was attached to a coronation crown of imported seed pearls and crystals. She carried a regal tapering cascade of pearls, beads and calla lilies and soft tulle.

Miss Katherine McGuire of Bradford was maid of honor and she wore a street-length dress of Japanese violet silk organza over pink taffeta, made with a semi-neckline, fitted bodice and a harem pouf over the sheath skirt.

Miss Helen Reilly of Marblehead and Mrs. George Durant of Andover were bridesmaids and their gowns were identical to the maid of honor's. Their matching hats were a silk cabbage rose with a veil, and they carried a colorful spiral bouquet of lavender, daisies and spears of dracena foliage.

William J. Gallant was best man for his brother and the ushers were Joseph E. Mitchell Jr., brother of the bride, George K. Durant, Paul Wennik and Aime Remond.

The bride's mother wore a blue chiffon dress with ice-blue accessories. Her corsage was made of baby orchids tinted ice blue.

The bridegroom's mother wore a champagne colored sheath dress and mint colored accessories, and wore a mint green corsage.

A wedding dinner was held at the Colony Room. Miss Suzanne Lutz of Bradford presented the guest book.

Mrs. Gallant is a graduate of St. Mary's High School in Lawrence and of Merrimack College. She is employed as a chemist at the Lawrence Laboratories. Mr. Gallant graduated from Pynchard High School and Boston University. He is affiliated with the Home Products.

The couple will make their home at 84 Maple ave.

Mr. and Mrs. William J. Gallant have returned to their home in Washington, D. C., after visiting several days with the bride's parents, Mr. and Mrs. Raymond Gallant of Lowell st.

During the weekend, the veteran's organizations will decorate the graves of all veterans. The VFW will take care of Old South, Christ Church and St. Augustine's cemeteries; the DAV, West Parish; and Post 8, American Legion, Spring Grove and Phillips Academy Chapel Cemetery.

Tuesday morning, the annual parade will begin promptly at 8:30 a.m. All units will take their assigned places and be ready to fall in by 8:15.

Starting at the corner of Florence and Elm sts., the parade will stop first at the Memorial Hall Library, where short services will be conducted by members of Chapter 18, Disabled American Veterans.

Thence, the line of march is along Main st. to Chestnut, to Whittier and the Auditorium, where services will be in charge of Veterans of Foreign Wars Post 2128.

Following the main service, the parade will re-form and continue along Bartlet to Main st., and to the Memorial Tower at the Academy. The Legion will conduct brief services there.

On its return trip, the parade will follow Main st. to School, along Central st. to the Baptist Church, where it will disband.

Cemetery services will be held following the parade.

The DAV will officiate at the Old South Cemetery about 10:45 and then go to St. Augustine's Cemetery about 11:15.

Services at West Parish Cemetery, conducted by the VFW, are scheduled for 11 a.m.

Post 8 will conduct the services at Spring Grove Cemetery at 10:45 at the GAR lot and at 11:15 at the Legion lot.

Five divisions will be included in the line of march this year.

Traditionally, a police escort will lead the parade, followed by the Selectmen and town manager and a firefighter escort. Hall Named Clerk Of Works

EDWARD P. HALL

Edward P. Hall of Dascomb rd. has been selected, from those interviewed, as clerk of works for the elementary school to be constructed on Lovejoy rd.

The School Building Committee based its selection of Mr. Hall on his experiences in construction projects and in particular the Andover High School and South Elementary School.

In the building field, Mr. Hall is well known as a general contractor specializing in the construction of quality homes in Andover for the past 35 years.

New Plans Drawn For Sewer Project

Plans for the sewer along Lovejoy rd. to service the new school have been changed somewhat, according to reports to the Selectmen.

After test borings discovered ledge in the road, it has been decided to install a gravity-feed sewer line for all but 520 feet of the distance from Dascomb rd. to the school.

The remaining 520 feet will be a forced main, with pumps at the school forcing the materials through the main to the top of the rise, where gravity will take over.

It has been explained that the depth of the cut required for an all-gravity feed, and the cost of excavating through the ledge, added up to an expensive project.

The sewer line from the school into the street will be designed so that it can be used as a gravity-feed line at a later date, when a sewer line is installed from Lowell st. down towards the new building. Under normal conditions, when this portion of the sewer plan is implemented, sewage would flow by gravity from the high point on Lovejoy rd. towards Lowell st., and from that high point, in the opposite direction, along Dascomb rd.

Happy Occasion For Susan McGrath

May 20 was a real happy day for Susan Jean McGrath, for on that afternoon she invited a number of her friends to her home on Pettigill rd. to help her celebrate her eighth birthday.

Games of various sorts were enjoyed and prizes awarded the lucky winners. Birthday cake, ice cream and lemonade were served by Mrs. McGrath. Those attending the party were Mary Lyman, Carol Kitson, Janice Oldaker, Nancy Hedrick, Patty McDonald, Lisa Getlin, Susan Monette, Peri O'Neil, Gwen Sherman, Christina Sanderson, Marden Gibson, Patty Davis, Marie McFarland and Deborah Mellett.

Arnold D. Finley, 10 Rocky Hill rd., has been elected a director of the New England Purchasing Agents Association for two years.
